### **Manteo Lions Club Donates to the Costume Shop Replacement Fund**

(Manteo, NC - July 8, 2008) The Manteo Lions Club and *The Lost Colony* have served up concessions and drama for hundreds of thousands of tourists during their many years working together at Waterside Theatre. In response to September's *Lost Colony* fire, the volunteer service organization presented the drama with a donation towards the Costume Shop Replacement Fund. Manteo Lion President Syble Blount presents Carl

Curnutte, Executive Director and Producer of *The Lost Colony* with a check of \$1,900 towards the fund. The amount represents the proceeds from concessions sold at the drama's opening night on May 30. *The Lost Colony* production plays nightly from Sundays to Fridays at Waterside Theater in Manteo on Roanoke Island. Families can see America's #1 Outdoor Drama—*The Lost Colony* and save! Children (11 and under) are free with a paying adult on Mondays and half-price on Fridays and Sundays. To take advantage of these ticket discounts, contact the box office at 252-473-3414.
