### ***Lost Colony* Appreciates North Carolina Aquarium**

(Manteo, N.C., March 26, 2008) – *The Lost Colony* held a luncheon for North Carolina Aquarium staff in appreciation of their overwhelming support. From the smiles seen on the faces of Michele Bunce Special Events Coordinator; Ken Keating, *The Lost Colony's* Development Director; and Jennifer Gamiel Visitor/Member Services Coordinator, the thank-you event was an enjoyable occasion. "Instead of splitting the profits for our Winter Dance, the Aquarium donated the profits and their assistance solely to us for our costume shop fund raising," remarks Keating. "They are a continual friend of *The Colony*; their graciousness and cooperation has been appreciated, especially since our crisis." The luncheon was supplied by Pizza Hut and Pepsi, valued *Lost Colony* supporters.
